Auntie Stella is a participatory toolkit for youth. An interactive web version is available in English at www.tarsc.org and www.auntiestella.org. Auntie Stella is also available in Shona, Ndebele and Kiswahili, with plans for translations into French and Portuguese in the coming year. These translations can be accessed at <http://www.tarsc.org/publications/> under the Children, women and youth section. To make it easier to access these materials, we have divided each translated version into 3 files:

- Auntie Stella question cards
- Auntie Stella answer cards
- Auntie Stella Facilitator s and Adaptation Guide

Please make sure you download all three documents for a complete set.

Auntie Stella is also available on CDROM and as a printed pack with the letters on cards. The toolkit contains 40 laminated question and answer cards, a 40-page Facilitator s and Adaptation Guide and two information cards — one listing the topics in the letters and the other explaining difficult words.

To find out more about the Auntie Stella programme, or to place an order for a CDROM or hard copy, please contact admin@tarsc.org or Box CY2720 Causeway, Harare, Zimbabwe

Kunzima sibili ebantwini ababili nxa kuyikuthi lowo lalowo ufunangeke akuzuze komunye, kodwa ke khumbula ukuthi ubude abuphangwa. Abantu abanengi bakhetha ukungayi emacansini baze bakhule, bende kumbe bathathe. Ubuhle balokhu bukanengi. Nxa usukhulile uyabe usulungele ukuthandana lomunye umuntu. Okunye njalo yikuthi nxa ungakaze ulale lejaha kumbe lentombi, awukho engozini yokuthelelwa imikhuhlane etholakala emacansini (imikhuhlane yengulamakhwa), iHIV kanye lengozi yokuzithwala ungakafuni.

Okwakhathesi kuyinto enhle ukuthi wena lejaha lakho lagonane likhisane kuphelele khonapho. Le yindlela enhle eyokutshengiselana ukuthi liyathandana ngeqiniso. Un gesabi lutho – akulangozi eba khona nxa abafana lamankazana begonana, bekhisana bacine khonapho.

Kodwa ke ontanga abanengi bakholwa ukuthi lingavele liqalise ukubambabambana lokukhisana isiphetho yikulala lonke. Ngakho ke kungcono lichithe isikhathi lilabangane benu kulokuthi libe lodwa libambana njalo likhisana.

Ontanga kumele bazikhethelle bona ngokwabo ababona kubalungele, bengabanwanga ngamandla. Khuluma lejaha lakho. Nxa likuthanda ngeqiniso lizazwisa.

Nxa ngokuya kwasikhathi ukhetha ukulala lalo, sebenzisa amakhondomu. Xoxisanani ngalokhu isikhathi sisekhona lingakaqalisi – kusuka kube nzima ukuqalisa indaba enje selisebangeni lokulala lonke. Khumbula ukuthi amankazana lawo angathola aphinde athwale amakhondomu amadoda lawesifazane. Ngikufisela inhlanhla.

Ungakhathazeki – akulanto embi ngalokhu oyikho khona. Izinto zabafana ziqlisa ukukhula ngesikhathi bethomba, okwande ukwenzeka sebeleminyaka yokuzalwa esuka ku-11 kusiya ku-15, kodwa ke kungenzeka ukuthi baphangise kumbe baphuze.

Akumangalisi ukuthi abafana nxa sebefike ebangeni leli balinganise izinto zabo befuna ukubona ukuthi olento enku lu kuleyomunye ngubani. Kodwa ke njengobaabantu bethomba ngezikhathi ezehlukeneyo, akumangalisi njalo ukuthi abafana abalinganayo ngobudala babe lezinto ezingalinganiyo.

Lanxa umzimba wakho usukhule wafika lapho ophelela khona, asikho isilinganiso okuthiwa yiso okufanele into yakho ikhule ifike kuso. Abantu kabalingani – lezinto zabo lazo kazilingani!

Qaphela njalo ukuthi ubukhulu kumbe ubuncane bento yakho abulani lokuthi isithandwa sakho usisuthisa okungakanani engutsheni. Okuqakathekileyo yindlela osebenzisa ngayo into yakho kanye lezinye izitho zomzimba wakho ukuze wena lesithandwa sakho lisuthiseke. Abesifazane bathanda ukubanjwabanjwa lokukhisa okwesikhathi eside bengakalali lowesilisa, ngenxa yokuthi kuthatha isikhathi eside ukuthi baze bafikelwe yimizwa eqinileyo yokuthi baye emacansini nxa belinganiswa labantu besilisa. Okunye njalo yikuthi abantu bakhola ngcono nxa belele lomuntu obathandayo, njalo engumuntu othanda ukwazi ukuthi kuyini abakuthandayo labangakuthandiyo. Kuba lula ukuthi ube lomuntu othandana laye ngalindlela nxa usukhulile njalo usungatsho okufunayo.

Umkadadewenu ulamanga. Akulamkhuba onjalo esintwini. Emasikweni aMaShona lawaMaNdebele, ukulamuza yibungane bokudlala lokusomisana phakathi kwenkazana losibale wayo. Umkhuba lo awutsho ukuthi inkazana le kumele ilale ndlu yinye laye kumbe ilale laye, amasiko ethu kawakuvumeli lokhu. Ulelungelo sibili lokuthi uthi ‘Hatshi’ nxa kuyikuthi abantu abadala bazama ukukuphazamisa.

Cela uncedo kuiyihlokazi, kumbe komunye umuntu ongumngane wemuli, kumbe komunye umuntu omdala olozwelo – kuzaba lula ukuqedo loluhlupho nxa kulabantu abakuphathisayo. Zama njalo ukukhuluma lodadewenu.

EZimbabwe umthetho kawuvumi ukuthi loba ngubani alale lomuntu oleminyaka yokuzalwa engaphansi kwe-16. Umuntu omdala owenza lokhu angapika ejele. Akuvunyelwa ukuthi ubambe loba ngubani ngamandla ukuthi alale lawe. Lokhu yikubamba umuntu iganyavu njalo kufanele kubikwe emapholiseni. Ukwenza lokhu kusuka kube kubi ngamandla ngenxa yokuthi kungenzeka ukuthi umuntu azithwale kumbe athelelwane imikhuhlane ethelelwana emacansini (kugoqela iHIV).

Amasiko ethu mahle kakhlulu ngoba asenza sibambane njengemuli njalo njengabantu abahlala ndawonye. Akufanelanga abantu basebenzise ‘amasiko ethu’ ukuze baphathe abanye abantu – ikakhulu abantu abatsha – ngendlela embi.

Okokuqala, akudingeki ukuthi usuke ngekhaya. Kawukho engozini. Njengoba umalumakho esegula kakubi, usedinga umngane kanye lomuntu ozamceda.

Kulendlela ezintathu umuntu angathelelwa ngazo iHIV: lezi yikulala lomuntu oleHIV ungazivikelanga; ukuthi igazi elileHIV lingene emzimbeni wakho ngalapho ohlatshwe khona ngenalithi kumbe ngalapho osikwe khona ngereza, kumbe ukuthi umama athelele umntwana nxa ebeletha kumbe emunyisa.

Ngaso sonke isikhathi geza izandla zakho uwatshe ingubo kumbe amashitibheda lempahla ezigqokwayo ngamanzi alesepa. Nxa ufuna ungasebenzisa imithi ebulala igcikwane, enjengalokhu okuguqula umbala wezigqoko – ijiki.

Ukugcina umuntu ogulayo kunzima, ngakho ke lawe uzadinga uncedo. Endaweni ezinengi kulenhlanganiso labantu abapha uncedo lezicebiso eziphathelane lempilakahle. Bangakucebisa nxa kulezinto ezikuhluphayo. Kwesinye isikhathi baphathisa ngokudla lemali yefizi yesikolo.

Angithandabuzi nxa ngikutshela ukuthi awudingi kupha omunye umuntu uzwanamina ukuze akuthande.

Ukuthandana lomunye umuntu kuyinto enhle kodwa ke ungeke umbambe ngamandla ukuthi akuthande. Yinto eyenzeka ngoba iyimvelo. Abanye abantu abangosowenu bayakhonjwa kumbe bakhombe, kodwa kwabanye abanengi lokhu kuthatha isikhathi eside.
